Hi Brendan,

I actually thought this case pled out back in April.

At your convenience, could you please provide me with the Lab # associated with this case?

Thanks.

Hello,

Please see the attached summons for each of you for Trial on 9/26/11. This is a 2007 case so its likely to go forward. If anything changes prior to the date I will let you know. I don't see lab discovery information in my voluminous file. Could you forward me this information?

Thank you,
